PermiaCare currently offers 6 different substance abuse programs, all staffed with trained and friendly professionals. Each program has specific screening tools to determine if treatment is needed, what type of treatment is needed, and if other services could be beneficial. We also have residential treatment services (rehab) and

outpatient treatment services for both adolescents and adults. Services include treatment and/or referrals for mental and physical health care needs. Information about HIV, Sexually Transmitted Diseases (STDs), Hepatitis B & C, Tuberculosis, and the effects of alcohol, tobacco, and other drugs (ATOD) is readily available.

www.permiacare.org/outreach-screening-assessment-and-referral-services

Licensed staff provide assessments and referrals to those who are actively seeking substance use services and/or support. Staff conduct verbal screenings to gather information pertaining to the severity of use and how use has impacted day-to-day functioning or mental health, in order to provide appropriate referrals to recovery resources.

Fresh Start Program

www.permiacare.org/fresh-start

The Fresh Start Program is an outpatient substance abuse treatment program for adults who have already completed an inpatient treatment program or who do not need a more intensive program to become drug/alcohol-free.

She's For Sure Program

www.permiacare.org/shes-for-sure-program

The She's For Sure Program provides outpatient substance abuse treatment to adult women who have a history of substance abuse and have children under the age of 18 or are pregnant, including women whose children are in the custody of the court or the state. The purpose of the program is to provide trauma-informed and gender-specific treatment services that aid in the recovery from substance to women who do not require a more intensive environment (such as residential services) to achieve abstinence and meet treatment goals.

Top Rank Youth Program

www.permiacare.org/top-rank-youth-services

The Top Rank Youth Program provides outpatient substance abuse treatment for adolescents (ages 13 to 17) who do not require a more intensive form of treatment. Based on income of the family, the adolescent may be eligible for state funded services on a sliding scale. Medicaid, CHIP, and private health insurance are also accepted.
